ROSSY FASHION ACADEMY

Rossyz fashion academy as the name implies is a fashion school, designed to empower persons with a flair for a career in fashion to become fashion experts and thrive in the fashion industry.

We offer professional and exclusive training based on a standardized and cutting edge curriculum to persons seeking a career in fashion, and who through knowledge and skill acquisition can become an authority in the fashion industry, creating works of art and beauty from every piece made.

The academy consists of three power packed classes; the foundational class, the intermediate and advanced/upgrade class.

Our VISION

To inspire creativity and empower individuals to excel in the dynamic world of fashion, fostering innovation, diversity, and sustainability.

To provide a comprehensive and cutting-edge education in fashion design, merchandising, and marketing, equipping our students with the skills, knowledge, and confidence to thrive in the industry. We prioritize experiential learning, industry partnerships, and a supportive community to nurture the next generation of fashion leaders who make a positive impact globally.

Our MISSION

Our GOALS

At the end of attending this academy, every student should be equipped with the requisite skills and know-how to do the following:

To achieve his/her ambition of growth and expertise in the fashion industry;

To have a deep understanding of the dynamics of the fashion industry, brands, design and communication;

To be strengthened with a broadened knowledge of fashion, having gained mastery of the tools and understood the challenges of a constantly evolving market and fashion forward environment.

To become professionals and fashion experts who will impact immensely in our world of fashion both on a global and local scale.

To freely and confidently express his/her creativity using new languages, design and tools, whilst contributing to the world of fashion.
